years

WSO, SAFE,  
Angels Initiative

**WITHIN THE  
PROJECT WE WILL:**

- Create a virtual assistant for patients,
- create a virtual assistant for clinicians,
- develop a natural language processing tool for data analysis,
- harmonize stroke patients' discharge reports across Europe,
- establish European Open Stroke Data Platform,
- set European standards in stroke care (Endorsed by ESO).

Aiming for  
**ACCESSIBLE  
HIGH QUALITY  
STROKE CARE.**
